· PHỞ ·

Pho is the soul of Vietnamese cuisine — a steaming bowl of delicate rice noodles cradled in an aromatic broth that’s been slowly simmered with charred onions, ginger, and a medley of warm spices like star anise and cinnamon. Traditionally served with thinly sliced beef or tender chicken, each bowl is brought to life with fresh herbs, lime, and chili — allowing the eater to tailor every bite. It’s a dish of harmony — light yet rich, simple yet profound — a true taste of Vietnam in every spoonful.

Phở là linh hồn của ẩm thực Việt Nam — một tô bánh phở mềm mại trong nước dùng thơm lừng được hầm chậm cùng hành nướng, gừng, và các loại gia vị ấm như hoa hồi và quế. Thường được dùng kèm thịt bò thái mỏng hoặc gà mềm, mỗi bát phở trở nên sống động nhờ rau thơm tươi, chanh và ớt — cho phép người ăn tự điều chỉnh hương vị theo sở thích. Đây là món ăn của sự hài hòa — nhẹ nhàng mà đậm đà, đơn giản mà sâu sắc — là tinh túy của Việt Nam trong từng thìa.

Bún Chả is a beloved Hanoi specialty that captures the spirit of Vietnamese street cuisine. Smoky, caramelized pork — both juicy grilled patties and thin slices of pork belly — is served in a warm, tangy-sweet dipping broth, infused with garlic, chili. On the side, a generous heap of soft rice vermicelli, crisp herbs, and fresh greens invites you to build each bite your own way — balanced, bright, and deeply satisfying. It’s a rustic yet refined dance of flavors, where fire-grilled meat meets freshness and tradition in every bowl.

Bún Chả là một đặc sản Hà Nội được yêu thích, thể hiện trọn vẹn tinh thần của ẩm thực đường phố Việt. Thịt nướng thơm lừng – gồm chả viên và ba chỉ cắt lát – được phục vụ trong chén nước mắm chan nóng, đậm đà vị chua ngọt, hòa quyện cùng tỏi, ớt. Ăn kèm là bún tươi, rau sống và rau thơm – để bạn tự phối từng miếng ăn hài hòa, thanh mát và đầy hương vị. Đây là điệu vũ mộc mạc mà tinh tế giữa thịt nướng và sự tươi mới truyền thống.

GIN & TONIC

· VIETNAMESE GIN ·

SAIGON BAIGUR

285

This gin is a celebration of some of the best botanicals Vietnam has to offer, black cardamom from the dense jungles in the most Northern part of Vietnam, the rare Buddha's Hand citrus fruit grown in the capital of Hanoi, Saigon Cinnamon from the Annamite mountain ranges in the central Highlands and Lotus flower from the Mekong Delta. Together with Macedonian Juniper and 9 other local botanicals this makes a remarkable gin.

SONG CAI DRY GIN

275

Sông Cái, comes from the Vietnamese term for "Mother River." In the Vietnamese tradition, rivers are metaphorically representative of the notion of totality and origin: all forces of nature, life, and spirituality stem and flow from a holistic "Mother River". Sông Cái Distillery offers rural communities an incentive to preserve and plants botanicals, heirloom grains native to the region. Through their products the endeavor to protect centuries-old traditions for future generations.

VỀ ĐỂ ĐI GOOD GIN

265

It's good because they seek out remarkable ingredients. From start to finish, this gin is theirs, they distil from scratch, like no other Vietnamese gin. Red River rice is the foundation for our extraordinarily smooth flavour. Hand peeled Buddha hand dried in the Hanoi heat brings their subtle citrus notes. Italian juniper, lavender, cassia and green cardamom for depth. They add mắc khén and hạt dổi for a smack of local spice. Rare white tea flowers bring subtle sweetness.

LADY TRIỆU CONTEMPORARY VIETNAM GIN

265

Gin Lady Triệu is a Vietnamese craft gin brand inspired by the Vietnamese heroine Lady Triệu. Gin Lady Triệu stands out by using local Vietnamese ingredients such as oolong tea, jasmine flowers, hibiscus, orange, and cubeb berries. These ingredients are sourced from local farms, village markets, and cooperatives to ensure high quality and sustainability.
