SIGNATURE HA NOI CUISINE

ẨM THỰC HÀ NỘI

Pho is the soul of Vietnamese cuisine — a steaming bowl of delicate rice noodles cradled in an aromatic broth that's been slowly simmered with charred onions, ginger and a medley of warm spices like star anise and cinnamon. Traditionally served with thinly sliced beef or tender chicken, each bowl is brought to life with fresh herbs, lime, and chili — allowing the eater to tailor every bite. It's a dish of harmony — light yet rich, simple yet profound — a true taste of Vietnam in every spoonful.

Phở là linh hồn của ẩm thực Việt Nam — một tô bánh phở mềm mại trong nước dùng thơm lừng được hầm chậm cùng hành nướng, gừng và các loại gia vị ấm như hoa hồi và quế. Thường được dùng kèm thịt bò thái mỏng hoặc gà mềm, mỗi bát phở trở nên sống động nhờ rau thơm tươi, chanh và ớt — cho phép người ăn tự điều chỉnh hương vị theo sở thích. Đây là món ăn của sự hài hòa — nhẹ nhàng mà đậm đà, đơn giản mà sâu sắc — là tinh túy của Việt Nam trong từng thìa.

Grilled Pork & Vermicelli - Bún Chả

345

Vermicelli, Grilled Pork Patties & Belly, Pickled Papaya, Herbs, Dipping Sauce

Bún Tươi, Chả Thịt Nướng & Ba Chỉ, Dưa Dẻ Ngâm, Rau Sống, Nước Mắm Chua Ngọt

Bún Chả is a beloved Hanoi specialty that captures the spirit of Vietnamese street cuisine. Smoky, caramelized pork — both juicy grilled patties and thin slices of pork belly — is served in a warm, tangy-sweet dipping broth, infused with garlic, chili. On the side, a generous heap of soft rice vermicelli, crisp herbs, and fresh greens invites you to build each bite your own way — balanced, bright, and deeply satisfying. It's a rustic yet refined dance of flavors, where fire-grilled meat meets freshness and tradition in every bowl.

Bún Chả là một đặc sản Hà Nội được yêu thích, thể hiện trọn vẹn tinh thần của ẩm thực đường phố Việt. Thịt nướng thơm lừng — gồm chả viên và ba chỉ cắt lát — được phục vụ trong chén nước mắm chan nóng, đậm đà vị chua ngọt, hòa quyện cùng tỏi, ớt và đủ xanh ngăm. Ăn kèm là bún tươi, rau sống và rau thơm — để bạn tự phối từng miếng ăn hài hòa, thanh mát và đầy hương vị. Đây là điệu vũ mộc mạc mà tinh tế giữa thịt nướng và sự tươi mới truyền thống.

According to many culinary anecdotes, the term "Nam Bộ" in the name of the dish does not actually refer to southern Vietnam. Instead, it is believed to derive from the former name of Lê Duẩn Street in Hanoi. Around the 1970s and 1980s, the first bún bò trộn (mixed beef vermicelli) stall appeared on the sidewalk in this area, near the Đồng Lợi Hotel. To make it easier for customers to recognize and find the stall, locals simply named the dish "Bún bò Nam Bộ," borrowing the name of the street.

Theo nhiều giai thoại ẩm thực, chữ "Nam Bộ" trong tên món ăn không phải để chỉ vùng miền, mà thực chất là tên gọi cũ của phố Lê Duẩn (Hà Nội) trước đây. Vào khoảng những năm 1970 - 1980, quán bún bò trộn đầu tiên xuất hiện trên vỉa hè khu vực này (gần khách sạn Đồng Lợi). Để khách hàng dễ nhận biết và tìm đến, người dân đã lấy luôn tên gọi vẫn điệu "Bún bò Nam Bộ" (lấy từ tên phố) để đặt cho món ăn.

GIN & TONIC

SAIGON BAIGUR

320

This gin is a celebration of some of the best botanicals Vietnam has to offer, black cardamom from the dense jungles in the most Northern part of Vietnam, the rare Buddha's Hand citrus fruit grown in the capital of Hanoi, Saigon Cinnamon from the Annamite mountain ranges in the central Highlands and Lotus flower from the Mekong Delta. Together with Macedonian Juniper and 9 other local botanicals this makes a remarkable gin.

310

Sông Cái, comes from the Vietnamese term for "Mother River." In the Vietnamese tradition, rivers are metaphorically representative of the notion of totality and origin: all forces of nature, life, and spirituality stem and flow from a holistic "Mother River". Sông Cái Distillery offers rural communities an incentive to preserve and plants botanicals, heirloom grains native to the region. Through their products the endeavor to protect centuries-old traditions for future generations.

LADY TRIỆU CONTEMPORARY VIETNAM GIN

300

Gin Lady Triệu is a Vietnamese craft gin brand inspired by the Vietnamese heroine Lady Triệu. Gin Lady Triệu stands out by using local Vietnamese ingredients such as oolong tea, jasmine flowers, hibiscus, orange, and cubeb berries. These ingredients are sourced from local farms, village markets, and cooperatives to ensure high quality and sustainability.
